John,

Here are the FOIA docs, as filed. We have decided not to release them publicly at this point. I have, however, forwarded the documents to Sharil. I will let him know that we are not releasing at this time as well.

The attached PDFs are being filed with DoC, with the following transmittal message:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, as amended ("FOIA"), DoC's implementing regulations, including but not limited to 15 C.F.R. § 4.10, and the NTIA's letter of November 18, 2005, responding to FOIA request CRRIF 06-068, ICM Registry, LLC ("ICM Registry"), is submitting its appeal of agency action in this matter. This appeal also will be submitted via facsimile and U.S. Mail.

Attached please find a PDF containing the letter of appeal and exhibits thereto. Please note that, to keep the size of the PDF manageable and able to be sent and received by typical email systems, we have omitted Exhibit 3, which contains several hundred pages consisting of copies of documents that were redacted and/or designated as withheld from NTIA's response to the FOIA request (and which, by definition, are within your agency's possession in any event). We also have omitted Exhibit 3 from the fax. The hard copy of the appeal that is being mailed concurrently herewith includes the Exhibit. Upon receipt, please associate it with the email and fax you receive today.

Please contact us if there are questions. Thank you.
