Current and Recent Activities

The BFC provided guidance in the financial matters of ICANN, including the following:

- Discussed the project plan for the BFC, emphasizing strategic financial focus
- Discussed past, current and proposed financial reporting for ICANN’s operations
- Discussed ICANN’s reserve fund performance, compliance, and optimal sizing formulae
- Discussed ICANN’s long term revenue outlook and alternative long term revenue sources
- Discussed revising budget development processes; including more direct SO/AC involvement
- Reviewed and discussed the FY11 Operating Plan and Budget
- Discussed FY10 cost containment efforts
- Development of Cost Accounting Guidelines, now posted on ICANN’s website
- Development of Procurement Guidelines, now posted on ICANN’s website
- Received an update on the new IRS Form 990
- Received an update on the 401K compliance review
Thank you
