

GAC Meeting with the ICANN Board

<http://brussels38.icann.org/node/12483>

Tue 22 Jun 2010 - 16:30 - 18:00

2010-06-22 16::47:10] Massimiliano_Minisci: Dear Remote Participants welcome to this session of the GAC. Please note that although GAC meetings are open only Governments' representatives can intervene in the discussion. We won't therefore be able to take questions from the chat room.

[2010-06-22 16::49:22] gpmgroup: I was wondering why links don't work in any of the Adobe chat rooms - its a shame for referencing material without having to copy and paste

2010-06-22 16::50:33] SeanPowell: It's just not a feature of the chat pod. I will note that for the developer to see about getting it added for future meetings

[2010-06-22 16::51:12] gpmgroup: that would be great thanks Sean

[2010-06-22 16::54:33] SeanPowell: No problem :)

[2010-06-22 17::33:37] Jim_Fleming: If the ICANN Board and the ICANN experts are 5 years out of touch how could the GAC be in the early stage ? The Internet Community can no longer be delayed by ICANN or the GAC.
