[2010-06-20 10::58:18] Marika_Konings: You should see the same slides as those in the rooms - I have been moving them forward simultaneously

[2010-06-20 10::58:46] Charles: thanks, I asked because I still see Questions although I heard him saying next slide

[2010-06-20 10::59:43] Marika_Konings: This is the last slide of the presentation

[2010-06-20 11::00:28] Charles: yes expected and he is still going one, so I thought maybe we went faster online

[2010-06-20 11::01:11] Marika_Konings: maybe the audio is delayed? because we have gone through all the slides here
Charles: seems there is another presentation no one can see :-)

Marika_Konings: The slides should get posted shortly so you should be able to see all the slides. Apologies for the inconvenience.
