# ICANN Brussels 2010

Wout de Natris

Chair Cyber Crime Working Party

Thursday, 24 June 2010

Important to understand

Spam is a sliding slope

Cyber Crime Working Party

The CCWP starts with these topics:

1. Contactlist
2. Technical meeting between RIPE NCC and LEA digital investigators
3. Template for information requests
4. Inventory of perceived problems and identify solutions
5. Organize liaising with other bodies
6. Table top conference
