RO's MoU

- APTLD
- AfTLD
- CENTR
- LACTLD
 - *In light of the fact that the aforementioned organizations, “the Parties” from now on intend to collaborate in exchanging information related to ccTLD administration and operation, best practices amongst their members, global surveys, and other mechanisms of sharing relevant information, the Parties agree to enter into a collaborative partnership based on the following framework*

RO's MoU

- *Organize a quarterly conference call or in-person meeting to exchange, or plan the exchange of, relevant information amongst themselves*
- *Share information about upcoming meetings and presentations*
- *Participate in each other's meetings as much as possible and provide regional updates*
- *Collaborate on surveys or related investigations on a yearly basis*
- *Circulate amongst themselves information they may acquire, which is related to the objectives of this framework*
- *Create a jointly maintained website that contains relevant information, updates, case studies and resources for the Parties.*
