ICANN Board Committee Reports

Most Committees prepare a public report on the major work handled by the Committee since their last report, which was at the Singapore meeting. The Committees also post minutes of their meetings on the ICANN website.

The reports can be found on the Dakar meeting schedule - the Board Committee Reports session at 8:00am-8:45am on Friday, 28 October.

ICANN Board Committee Reports

For more detail on the activities of each Committee, minutes are being prepared for each ICANN Board Committee Meeting. Following approval by the Committee, the minutes are being posted on both the Committee website and the Board Meeting Transcripts, Minutes & Resolutions page:
