

LACTLD: who we are and where are we going?

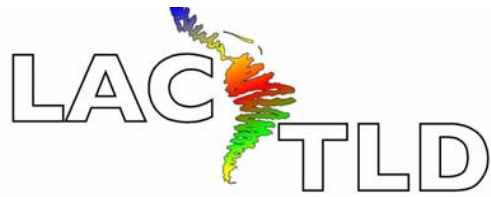

Margarita Valdés Cortés

President

LACTLD

Lisboa, 2007

www.lactld.org

Beginning...

LACTLD as a community started by the shared will of the ccTLD managers, that wanted to share experiences and be connected to work together and coordinate efforts, to face similar interests.

Administradores de dominios nacionales,

El objetivo de este correo es invitirlos a participar en una lista de correo nics@nic.mx con el fin de tener un canal de comunicacion con el resto de los administradores de los TLD nacionales en Latinoamerica y el Caribe.

El interes surge de la necesidad de compartir experiencias en la administracion de un NIC nacional, en su operacion y estrategia.

La lista esta creada y ustedes estan ya suscritos, si no desean participar envien un correo a majordomo@nic.mx con el mensaje "unsubscribe nics" (sin comillas).

Saludos,

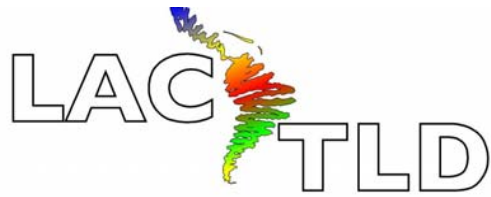

Oscar Alejandro

Formalization process

First step: MOU

LACTLD meeting in Montevideo, September 2001: we signed a MOU as the first step in the formalization process of the organization.

www.lactld.org

Second step: Bylaws approval

- In March 29th and 30th, 2004, Montevideo, Uruguay, in the LACTLD meeting, the text of bylaws were approved and signed.
- That meeting included the 13 ccTLDs and 2 observers.

www.lactld.org

- The next step was the legalization procedure, as an International not for-profit NGO, based in Uruguay.
- In March 28, 2006, the legalization process was completed.
- At the LACTLD meeting in May 2006 in Guatemala City, its first board was elected, as a formal organization.

www.lactld.org

The board of LACTLD is formed by:

Margarita Valdés .CL

Demi Getschko .BR

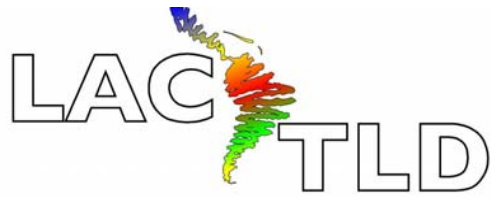

Eduardo Santoyo .PE

Francisco Arias .MX

Rafael Ibarra .SV

Currently, there are 21 members.

www.lactld.org

Objetivos:

LACTLD is a not for-profit organization which aims to group together the ccTLD managers in the Latin American and Caribbean region, with the following goals:

- a) To coordinate joint policies, as well as strategies to develop the domain names at the regional level*
- b) To represent member interests in the proper fora*

www.lactld.org

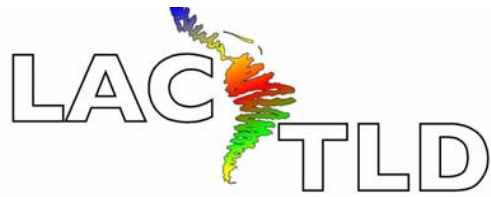

c) To promote the development of the ccTLDs in the region

d) To foster cooperation and sharing of experience among their members, regarding ccTLD issues.

e) To establish collaboration links with similar organizations in the world

f) To work towards the goals that the members decides.

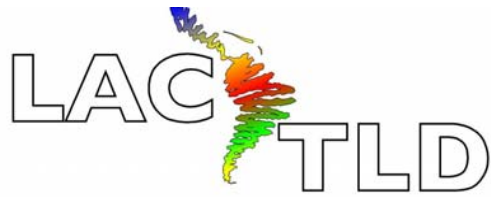

Ways to participate:

Membership:

Any ccTLD from Latin America and the Caribbean can be member of LACTLD, if they present an application to the Board and as long as it adheres to its principles

www.lactld.org

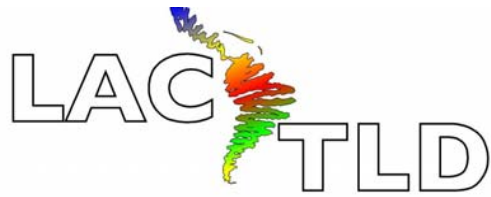

Observers:

Other organizations that the assembly agrees to accept, can participate as observers, by previous request.

They can participate in the assembly and have only voice.

www.lactld.org

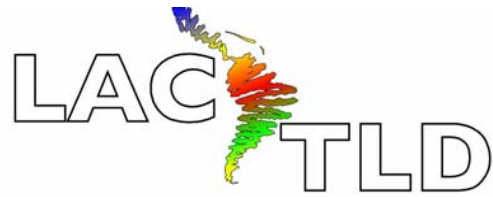

To be a member, it is required:

- a) Be a ccTLD entity from Latin America and Caribbean, with legal personality according to the respective country law.

- b) Request participation by formal letter to the board. This letter have to be signed by the legal representatitive of the entity that manage the ccTLD.

www.lactld.org

c) Each member have to be represented by a person designated for this effects or for default, it is understanding that will be represented by the person who is listed like admin contact in the IANA database or equivalent

www.lactld.org

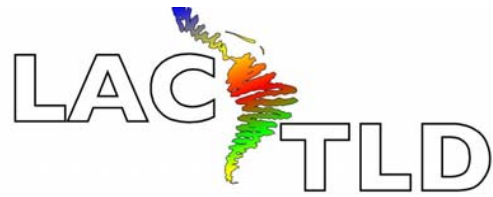

Who is this community?

Kind of organizations:

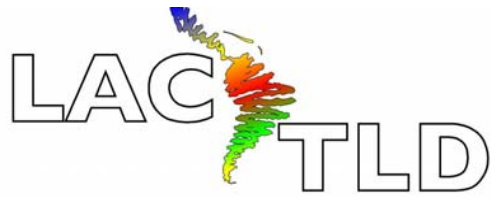

- 65% of ccTLDs in the region are a department or a division inside of another organization, non profit, and care its financial sustentability.
- Between 1987 and 2000, IANA/ICANN delegate the country codes in the region, and the majority of them starts its functions between 1990 ant 1992

www.lactld.org

- All LACTLD members have been participating in ICANN and most of them are part of ccNSO.
- Inside the ccNSO, LAC have 3 representatives in the council, and a vice chair is from the region too.

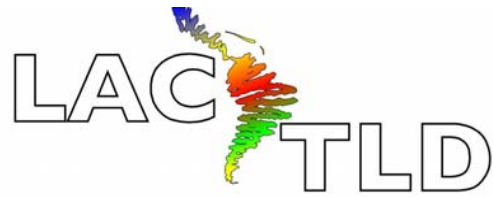

www.lactld.org

LACTLD in the international context:

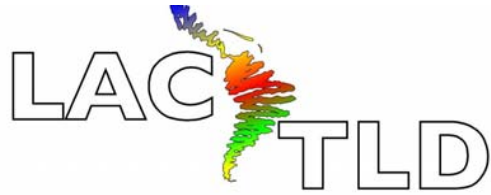

- LACTLD participate in ICANN, directly or in the ccNSO as a recognized regional organization.
- This is the community who have more participants in the ccNSO, we are 15 ccTLDs.

www.lactld.org

Regard to ICANN:

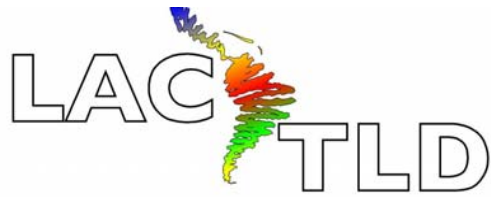

- Accountability frameworks: 19
- Latinoamerican and Caribbean region:
6 (31,6%)

Where are we going?

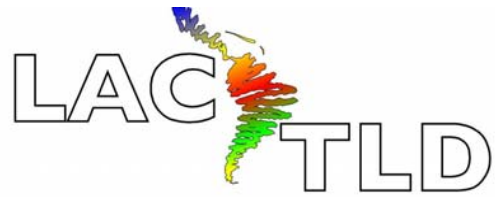

- Evaluation of the implementation of IDN
- Participation in other forums; OAS – CITELE
- Participation en IGF: Internet Governance Forum
- Participation in ICANN and in ccNSO.
- Estrategic planning work, in Sao Paulo, December 2006 and finishing next meeting, in Isla Margarita, Venezuela in May 2007.

www.lactld.org

- Secondary DNS service between members.
- Promote the installation of mirrors of root servers F, in the region.
- Promote the research and finance support for specific projects to improve registries.
- Trying to improve relationship with the relevant authorities in each countries with the ccTLDs.
- Reinforce the relationship and participation in other brother organizations like APTLD , CENTR.
