

# ICANN Supported Constituency/Stakeholder Travel

*FY 11 - FY 12 Update*

# Update on Constituency Travel Support

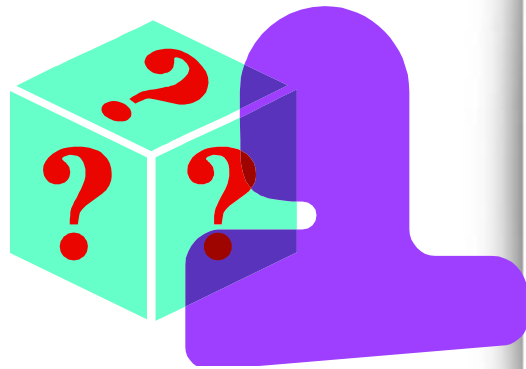

*Presented by Steve Antonoff &  
Matt Ashtiani*

One World

One Internet

# AGENDA

- Who is constituent/stakeholder supported travel for?
- How does it work?
- Why does it work this way?
- What could be done to make it work better?
- When might it change?

# Who is Constituent/Stakeholder Travel for?

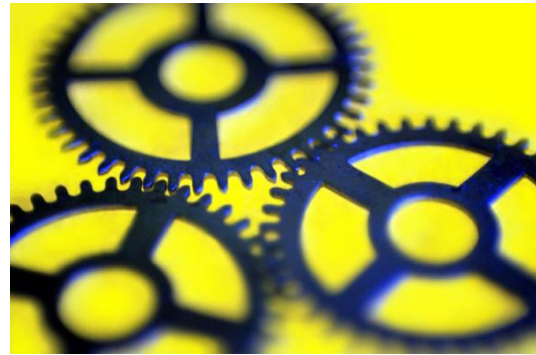

- Nominated members of ACs and SOs
- Fellows
- Nominating Committee members
- Nominating Committee appointees

# How Does It Work?

- Travelers are identified by their organization (e.g. ALAC)
- Annual Guidelines describe the process for receiving support
- Coordination of support is handled by the ICANN Constituency Travel Team

# Why Does It Work This Way?

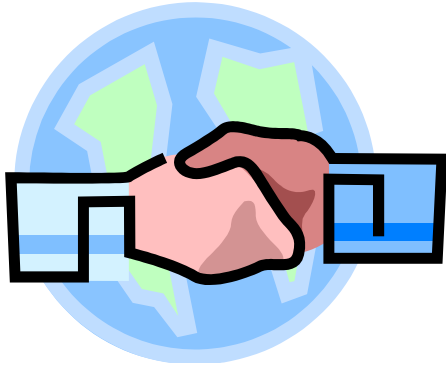

- To assist in the public participation process
- To effectively utilize the limited resources available
- To ensure travel arrangements are coordinated

# What Can Be Done To Make It Better?

- Improved communications in both directions
- Recognize and manage against “deadlines”
- Ensuring the process is understood and followed
- Balance individual needs versus group needs

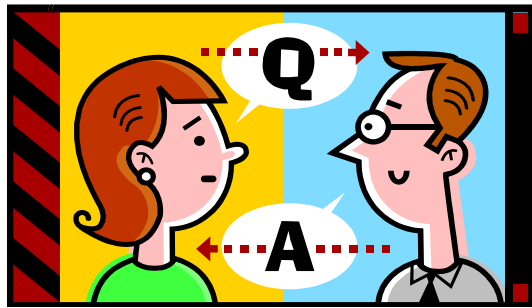

# What Can Be Done To Make It Better (continued)?

- Understanding the role of Constituency Travel
- Knowing what to do in case of an emergency
- Booking airfare as soon as possible
- Applying for visas in a timely manner

# What Do *You* Think?

- What works?
- What doesn't?
- Suggestions for improvements?
- Suggestions for Changes?
