## **Timeline for URS procedure**

Information is taken from the Proposed Applicant Guidebook (final version) available at <u>http://www.icann.org/en/topics/new-gtlds/draft-rfp-clean-12nov10-en.pdf</u>. References in the action column are to paragraph numbers in the Uniform Rapid Suspension System section of that guidebook. Note that the time in the first 'running total' column could be less if the time periods of 'up to' x days or y hours fall within the maximum allowable.

<sup>&</sup>lt;sup>1</sup>Not sure why this would be 20 days: registrant has 14 days to respond subject to an extension period of no more than 7 days. So could be 21. Have assumed 21.
