ccNSO PDP(s)
on retirement of ccTLDs
and
Review mechanism

Staging a Policy Development Process

- Stage 1 (Launch)
  - Starts with ccNSO Council decision
  - Description of issues, assessment of timeline, assessment whether in scope of ccNSO policy development process
  - Decision to initiate ccNSO PDP
- Stage 2 (Development of Policy)
  - Starts with interim Report
  - Public input/comments
  - Ends with Final Report
- Stage 3
  - Starts with Final Report
  - ccNSO Council adoption
  - ccNSO members vote
  - Ends with submission of Board Report

Characteristics PDP

- Duration PDP determined by stage 2
  - Includes at a minimum 2 rounds (40 days) public comment
  - Analyses of issues
  - Development of recommendations
  - Minimal duration 6 months

- Stage 3 includes members vote on set of recommendations
  - possible two rounds (quorum rule: at least 80 members need to vote),
  - minimal duration 2 months

Method (1)
Single PDP

- Charter two working groups

- Working Group 1: Review Mechanism

- Working Group 2: Retirement of ccTLDs and update Review Mechanisms if necessary

- **Total package (output WG 1 and 2) subject to members vote**

Method (2)
two PDPs

- Initiate 2 PDPs
- PDP 1 Review Mechanism
  - Members vote at end of PDP 1

- PDP 2 on retirement of ccTLDs
  - Members vote at the end of PDP 2

Outcome Marrakesh session

- Review mechanism on decisions delegation, revocation, transfer highest priority

- Preference one (1) PDP

- Do as much parallel as possible

Launch of PDP
Helsinki Council decisions

- Request for an Issue Report by Hyderabad
  - Includes question to initiate one or twoPDPs
- In preparing Issue Report be guided by:
  - DRD WG Final report on retirement of ccTLDs, 07 march 2011
  - ccNSO Framework of Interpretation
  - RFC 1591
  - ISO 3166 Standard
  - CWG-Stewardship Final Report, Annex O (Survey)
- Appointment Issue manager
- Appointment Oversight Committee (6 Councillors)

Concern Council

- Availability of community members/ Workload for the community.
  - If as much as parallel as possible will become issue
- When is Review Mechanism needed?
  - If one PDP, date of availability determined by date of members vote at the end of process
