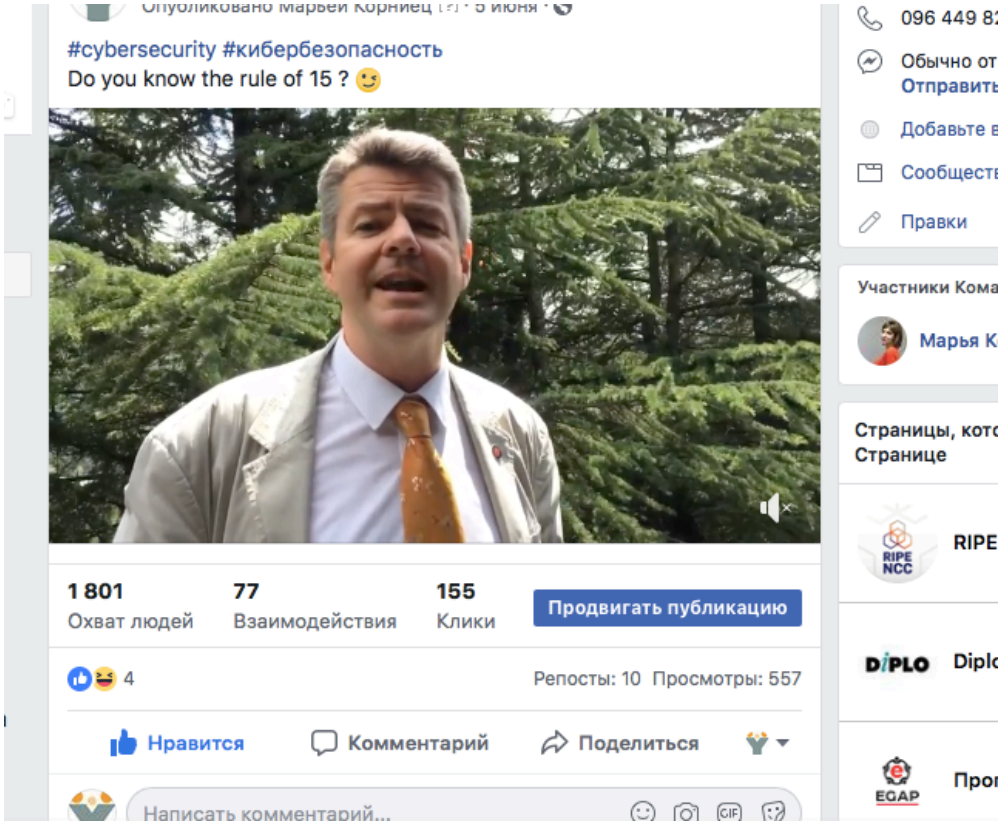
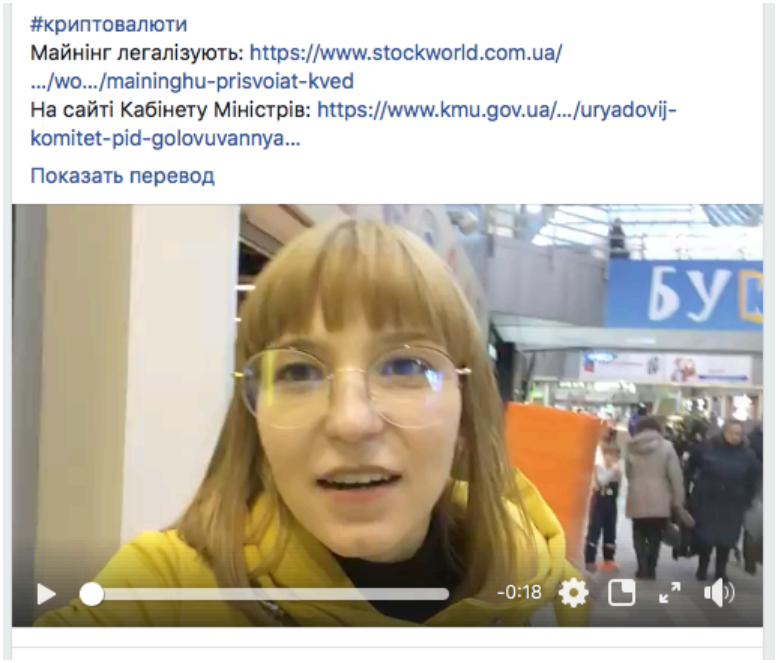
# National Community Activities

- Facebook page:





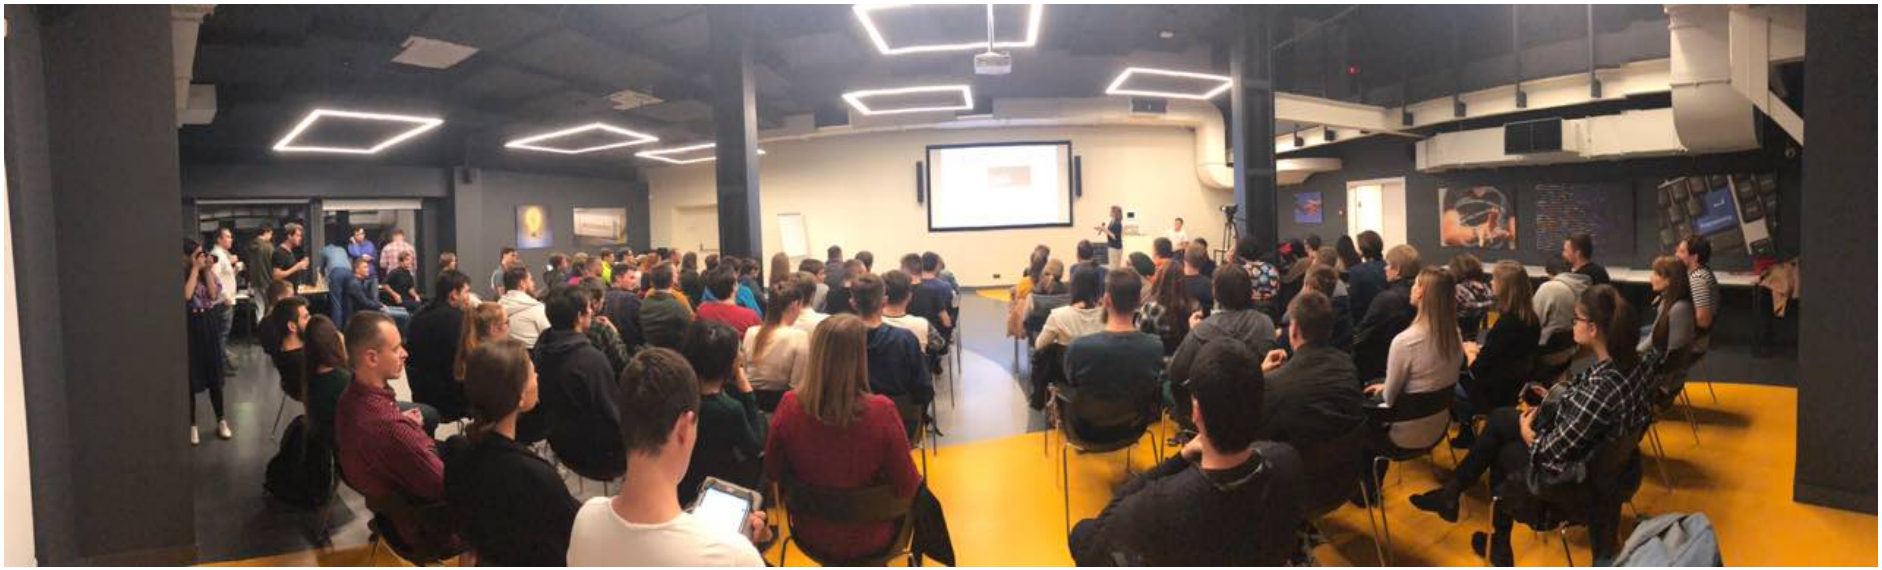
# National Community Activities

- Cybersecurity month events

- **17.10 - Lecture «Break and Defend: Career in Cybersecurity»**

- Lack of qualified cybersecurity specialists is a serious problem Ukrainian market is facing today. That's why we bring together IT students and Cybersecurity professionals, who will tell them about their work in cybersecurity field.

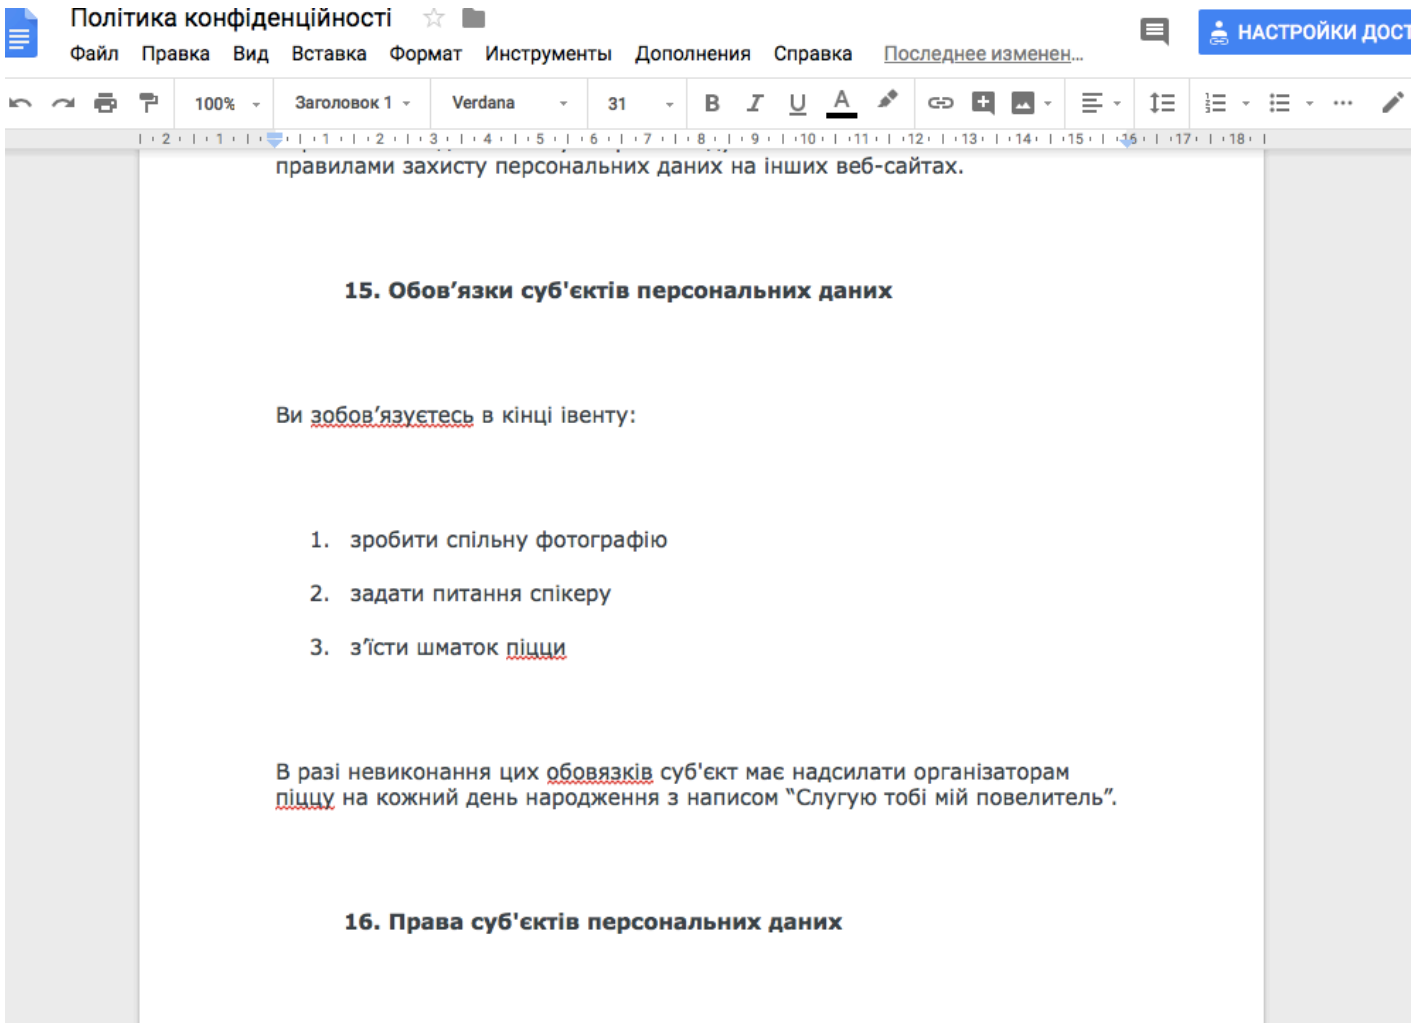
Youth IGF



- **17.10 - Lecture «Break and Defend: Career in Cybersecurity»**
  - 180 people registered with capacity of 120 people - and we stopped the registration

Youth IGF

# And a small present…



- **23.10 - Debate on Cybersecurity**

- We bring together 50 members of Debate club, speaker gives them a short lecture on the subject. Then they debate the security-related topic.

# Plans:

- Make a Cybersecurity escape room
- Hold events on Human Rights on the Internet
- Hold events on CyberLaw

Thank you for attention!
