Overview of ALAC and the At-Large Community

- The **At-Large Community** acts on the behalf of Internet end-users and is comprised of over **250 At-Large Structures (ALSes)** and **120 individual members**
- The **At-Large Advisory Committee (ALAC)** represents the At-Large Community and is the primary organizational home for the voice of Internet end-users.
- The 15-member ALAC consists of two members selected by each of the five **Regional At-Large Organizations (RALOs)** and five members appointed by ICANN's Nominating Committee.
- The RALOs consist of the different ALSes and individuals and are organized based on geographic region (Africa, Asia Pacific, Europe, Latin America and Caribbean Islands, and North America)

At-Large Organization

Key At-Large Working Groups

- **At-Large Consolidate Policy Working Group (CPWG)**
 - The focus of CPWG is to drive policy comments and advice within the At-Large community, and create best practices for identifying Internet end user issues within ICANN.
- **At-Large Operations, Finance and Budget Working Group (OFB-WG)**
 - The OFB-WG is tasked with preparing statements and requests related to ICANN finance and budget, strategy, and operational initiatives.
- **At-Large Community Engagement Working Group**
 - Develops strategy to reach out to potential members of the At-Large Community and engage new and existing members of the At-Large Community
