

ICANN81 – Get to know ICANN

ISP and Connectivity Provider Constituency (ISPCP)
Presentation

ISPCP Basics

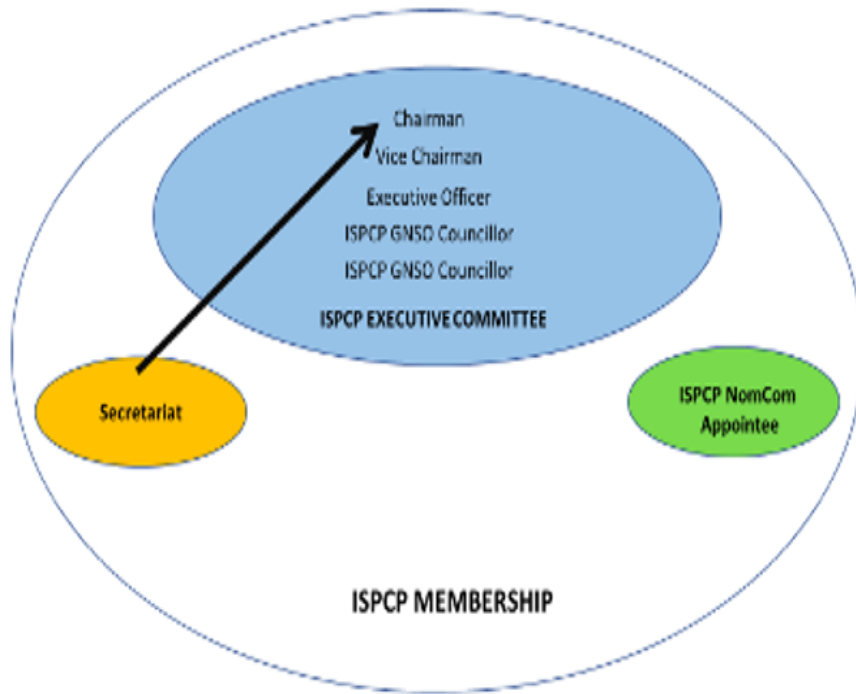

- Became a constituency within the GNSO in 1999
- Global membership includes:
 - ISPs or connectivity providers that operate an Internet backbone network
 - ISPs or connectivity providers that provide access to either Internet users or Internet content providers
 - Related ISP Associations
- Over 60 Members – see [ISPCP Members](#)
- Member of the Commercial Stakeholders Group (CSG) in the Non-Contracted Parties House (NCPS) of ICANN's Generic Names Supporting Organization (GNSO)

ISPCP Mission

- Ensure that the views of its members contribute toward fulfilling the aims and goals of ICANN and to the benefit of the ICANN community
- Ensure that policy development within ICANN guarantees and enhances the operational stability and security of the Internet
- Committed to the effectiveness of the ICANN Multistakeholder Model

ISPCP Structure

Chair, Philippe Fouquart

Vice Chair, Susan Mohr

Exec Officer, Lars Steffen

GNSO Councilor, Thomas Rickert

GNSO Councilor, Osvaldo Novoa

NomCom Delegate, Nitin Walia

- Membership Coordinator
- Credentials Committee

How do Members Participate in the ISPCP?

- Follow the mailing list
- Join monthly community meetings
- Participate in ICANN Policy Development (Council, Working Groups, CCWGs etc)
- Represent the ISPCP in working groups and other ICANN initiatives
- Contribute to Constituency Statements and Drafts and help members support the MSM beyond ICANN

ISPCP Policy Development

- The ISPCP guides policy development on issues related to the operational stability of management of the DNS root zone.
- ISPCP members help shape policies that affect ISPs and connectivity providers or cause disruptions in how ISP customers interact with the Internet
- Policy Issues are decided by consensus whenever possible

ISPCP Policy Development Process

Drafting Team Leader Identified

Develops draft position
Shepherds draft for consultation and approval

Consultation and Approval

Members have 7 working days for comment
Final position determined by consensus
If no comment, deemed approved

Solidarity

Final position represented by all Members when representing the ISPCP

ISPCP 2024 Policy Statements

- [ISPCP Comments on Paper “HOW WE MEET: A DISCUSSION PAPER FOR COMMUNITY DIALOGUE 8 July 2024” - July 2024](#)
[ISPCP Comments on Global Digital Compact \(GDC\) zero draft - April 2024](#)
[ISPCP Response to Questionnaire for 20-year review of WSIS implementation - February 2024](#)
