
ICANN82 | CF – Independent Review Process: Implementation Oversight Team (IRP-IOT) Work Session
Wednesday, March 12, 2025 – 10:30 to 12:00 PST

BRENDA BREWER

Again, for those who have joined online, thank you. We are waiting for a couple more members to join for quorum, so please stand by. Thank you.

SUSAN PAYNE

Hi, everyone, and thank you. I can see we've got at least one observer. Hi, Glen. At the moment, we don't have quorum, and since we're reviewing public comment input and potentially kind of discussing whether we need to reconsider anything we put out for public comment, we can't really proceed without quorum, which is really disappointing. We're going to give it just until we're sort of 10 minutes after the start time, so a couple more minutes. And if no one joins us, we'll have to call it. Sorry about that. So hang in for two more minutes, in case something exciting happens.

Hi again. Mostly for your benefit, Glen, because I think everyone else is—oh, and Bernard, obviously. Yeah, it's 10 after, so we haven't got quorum. It's very disappointing. But there we are. So we'll just have to continue our work when we're back home. Thank you for joining. Really appreciate your interest. And also to Fiona who has come to the room as well, but unfortunately we won't be able to proceed.

GLEN DE SAINT GÉRY Thanks so much, Susan. I completely understand. Hi, Greg. I can see you.

GREG SHATAN Hi. I flew all the way to Seattle just to make quorum at this meeting.

GLEN DE SAINT GÉRY Well, I can't be there. But thanks so much, Susan, for all you doing this whole week. It's fantastic. Okay. See you again sometime. Bye-bye.

SUSAN PAYNE Yeah. See you in Prague maybe, Glen.

GLEN DE SAINT GÉRY Definitely. Cool. Bye-bye.
