Joint session

ccNSO & ICANN Board

28 October 2025

Board Topics

- What does the ccNSO believe should be the Board's and the ICANN organization's policy priorities in 2026, taking into consideration the new Five-Year Strategic Plan, the WSIS+20 review, and the recently launched Cross Community Group on the Review of Reviews?

- **Bylaw Amendments:**

Review unresolved issues from previous meetings and clarify how bylaw change procedures are initiated across different scenarios (SO/AC request, periodic review, PDP) and the timeline from request to approval or non-rejection.

- **ccNSO & ICANN Strategic Role:**

Discuss ways the ccNSO could enhance the multi-stakeholder model and contribute to ICANN's mission, in line with the Strategic Plan, considering MSM perspectives.

- **Reflections from Becky Burr:**

Gain insights from Becky Burr on the relationship between the ccNSO, ICANN Board, the ccTLD community, and other ICANN communities, given her unique experience and historical role.
