AFRALO ACTIVITY REPORT (MARCH 2014) (French below)

The main AFRALO activities during the month of March 2014 were related to the following issues:

PREPARATION AND PARTICIPATION OF AFRALO IN ICANN 49

The Leadership of AFRALO engaged its members during the month of March to finalize its participation in ICANN 49 through calls for the drafting of Statement and suggestions for item to be included in the Joint AFRALO/AfrICANN meeting's agenda. A drafting Working Group was setup by the Chair and statement was completed and submitted to Community accordingly.

Furthermore, discussions on the participation of AFRALO to the ICANN49 took place during its monthly teleconference for the month of March 2014, where participants were informed on the current and future activities of ALAC with AFRALO members.

ICANN 49 discussions also focused on the IANA transition and the transfer of the main technical features of the Internet decided by the U.S. Government.

MOBILIZATION PILOT PROJECT COMMUNITY REGIONAL (COMMUNITY REGIONAL OUTREACH PILOT PROJECT (CROPP))

ICANN set up a Regional community outreach Pilot Programme, (CROPP) in which each of the five RALOs may request funding up to five (5) "regional Awareness trips (up to three days, two nights) and before the end of June 30, 2014. Applications must be submitted to the At-Large team of the CROPP program: https://community.icann.org/x/_S6fAg.
