AoC Accountability Transition

Questions for Community Input **#icannAOC**

1. What are the means by which the Community is assured that ICANN is meeting its accountability commitments?

2. As ICANN grows and improves its overall accountability, what should be the guiding principles to ensure that the notion of accountability is understood and accepted globally?

3. How does the Affirmation of Commitments need to evolve to support global acceptance of ICANN's accountability, and who should take part in this AoC?
