[2010-06-23 09::20:56] Dave: Hi Kristina. Are we running late

[2010-06-23 09::21:44] Kristina_Nordstrom: Hi Dave, the speaking has started (you need to get the audio seperatly <http://brussels38.icann.org/node/12490>) but the slides are not running yet

[2010-06-23 09::22:10] Dave: OK. No problem

[2010-06-23 09::25:36] Dave: Audio does not seem to be working

[2010-06-23 09::27:02] Kristina_Nordstrom: I will let the tech guys know

[2010-06-23 09::28:05] Kristina_Nordstrom: Is anyone else having problems with the audio?

[2010-06-23 09::31:25] Kristina_Nordstrom: I just went out of the room and tried the low banwith streaming link and it worked fine, can you describe you issue Dave

[2010-06-23 09::39:23] Guest2570: What Audio?

[2010-06-23 09::40:09] Dave: Kristina, my issue is total silence! I'm just down the road at the Conrad - I'm stuck doing some other work and thought I'd listen in, but I'm getting nothing.

[2010-06-23 09::43:18] Kristina_Nordstrom: A tech person will come in to the room shortly to assist you

[2010-06-23 09::44:45] Dave: It may be me - I've just tried the GNSO audio and it is silent too.

[2010-06-23 09::45:45] Kristina_Nordstrom: oh... yes I tihnk it is then cause like I said it worked fine whan I tried it

[2010-06-23 09::51:55] PVR_CENTR: I don't experience any problems with audiostream

[2010-06-23 09::55:18] Kristina_Nordstrom: Thank you for confirming that PVR

[2010-06-23 10::06:36] PVR_CENTR: No audio anymore...

[2010-06-23 10::10:33] Kristina_Nordstrom: Sorry for the delay

[2010-06-23 10::19:09] Kristina_Nordstrom: We had problems with another presentation, will be back on track no

[2010-06-23 10::19:26] PVR_CENTR: Thanks!

[2010-06-23 11::04:03] PVR_CENTR: Can the slides be made smaller so they fit the window?

[2010-06-23 11::06:42] Kristina_Nordstrom: Are the slides better now?

[2010-06-23 11::06:52] PVR_CENTR: perfect, thanks!

[2010-06-23 11::07:26] Kristina_Nordstrom: He is speaking clearly into his mic so I am not sure what I can do, is it hearable at all?

[2000-06-23 11::08:17] PVR_CENTR: There is a metallic echo that makes it very hard to understand him. I am not referring to his French accent. :-)

[2010-06-23 11::09:48] Kristina_Nordstrom: Hehe, I understand, he is probably speaking too close to the mic and would feel bad interrupting him.... I hope it's still ok

[2010-06-23 11::32:15] Erick_Iriarte: I read the paper, and for moments I lost where is the Regional Organizations in the map... maybe only is my perception...

[2010-06-23 11::35:18] Roelof_Meijer_SIDN: Agree with Chris, we do this, but it is not formalized. Doubt if it should be

[2010-06-23 11::36:15] Kristina_Nordstrom: Erick, all presentations that we are authorized to upload will shortly be on the Meetings section at the ccNSO website <http://ccnso.icann.org/meetings/brussels/presentations.htm>

[2010-06-23 11::36:25] Erick_Iriarte: ok

[2010-06-23 11::38:25] PVR_CENTR: <http://brussels38.icann.org/meetings/brussels2010/presentation-organizational-review-ccnso-23jun10-en.pdf>

[2010-06-23 11::38:42] Kristina_Nordstrom: Even better, thanks Peter

[2010-06-23 11::38:54] Erick_Iriarte: this is the full report, I'm asking for the ppt

[2010-06-23 11::39:26] Kristina_Nordstrom: ah ok, then it will be on the address I mentioned, but it's just a pdf

[2010-06-23 11::39:57] Erick_Iriarte: oky

[2010-06-23 11::40:16] PVR_CENTR: Now try to actually try that link.

[2010-06-23 11::46:13] Erick_Iriarte: thanks peter

[2010-06-23 11::49:32] Guest13553: Is there any sound?

[2010-06-23 11::51:37] Kristina_Nordstrom: Audio streaming can be found at <http://brussels38.icann.org/node/12490>

[2010-06-23 11::52:29] Guest13553: Thanks. I've tried the audio link and it wants me to save a file. I don't understand

[2010-06-23 11::53:04] SeanPowell: You need to open that file in a streaming-capable audio client, such as winamp, itunes, ect.

[2010-06-23 11::54:34] Kristina_Nordstrom: If you download it and double click it it should open in any default program

[2010-06-23 13::08:28] Kristina_Nordstrom: Terribly sorry, there is a problem with these slides

[2010-06-23 14::34:23] hbg: I totally agree with her!!!

[2010-06-23 15::41:37] PVR_CENTR: Probably one of the best discussions we had in the ccNSO.

[2010-06-23 15::49:58] Erick_Iriarte: i'm agree with you peter

[2010-06-23 16::13:07] PVR_CENTR: Can we have the audio back?

[2010-06-23 16::17:48] Roelof_Meijer_SIDN: Cannot follow the audio, very distorted. Peter, can you?

[2010-06-23 16::26:52] Kristina_Nordstrom: Roelof, is the audio still bad?

[2010-06-23 16::30:51] PVR_CENTR: I had a bit of classical music for a while, but now it's back on and OK.

[2010-06-23 16::31:47] Roelof_Meijer_SIDN: seems to depend a lot on the speaker. Can follow Chris all right

[2010-06-23 16::46:56] Kristina_Nordstrom: Ok so I guess it depends on how close people are to the mics
