DNSSEC, where to go for help

Roy Arends
Head of Research
Mailing lists

Wide range of mailing lists available,

The ones I use the most:

dnssec-deployment@dnssec-deployment.org

dnsop@ietf.org

dns-operations@lists.dns-oarc.net
People here

- roy@dnss.ec roy@nominet.org.uk
- simonm@nominet.org.uk
- ISC has a stand here, norm@isc.org
- Please raise your hand if you can help!
- Please talk to those folks if you need help!
• An open source DNSSEC management solution
