

# PEDNR

## Status of Implementation

*Brian Peck*

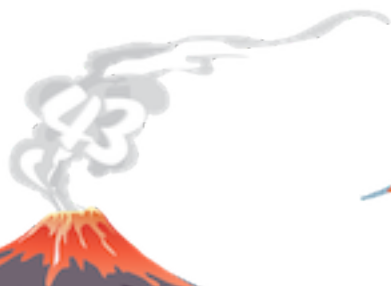

**COSTA RICA**

11-16 March 2012

# Background

- GNSO Council & ICANN Board adopted 18 recommendations
- As recommended by the GNSO Council, a PEDNR Review Team was formed consisting of community members to support ICANN Staff in the implementation of the recommendations

**COSTA RICA**

11-16 March 2012

# Recent Activities

- ICANN Staff Team went through all the recommendations to ensure understanding of the intent and identify potential areas for clarification
- List of issues for clarification were identified and have been sent to the PEDNR Review Team for feedback

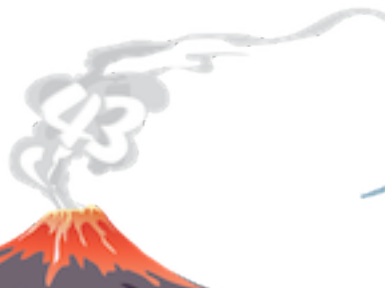

COSTA RICA

11-16 March 2012

# Next Steps

- Obtain feedback from the PEDNR Review Team on the issues requiring clarification
- Staff to develop proposed implementation plan which will be shared with PEDNR Review Team for input / review
