

# Welcome to ICANN

*Overview of the Week Ahead*

**COSTA RICA**

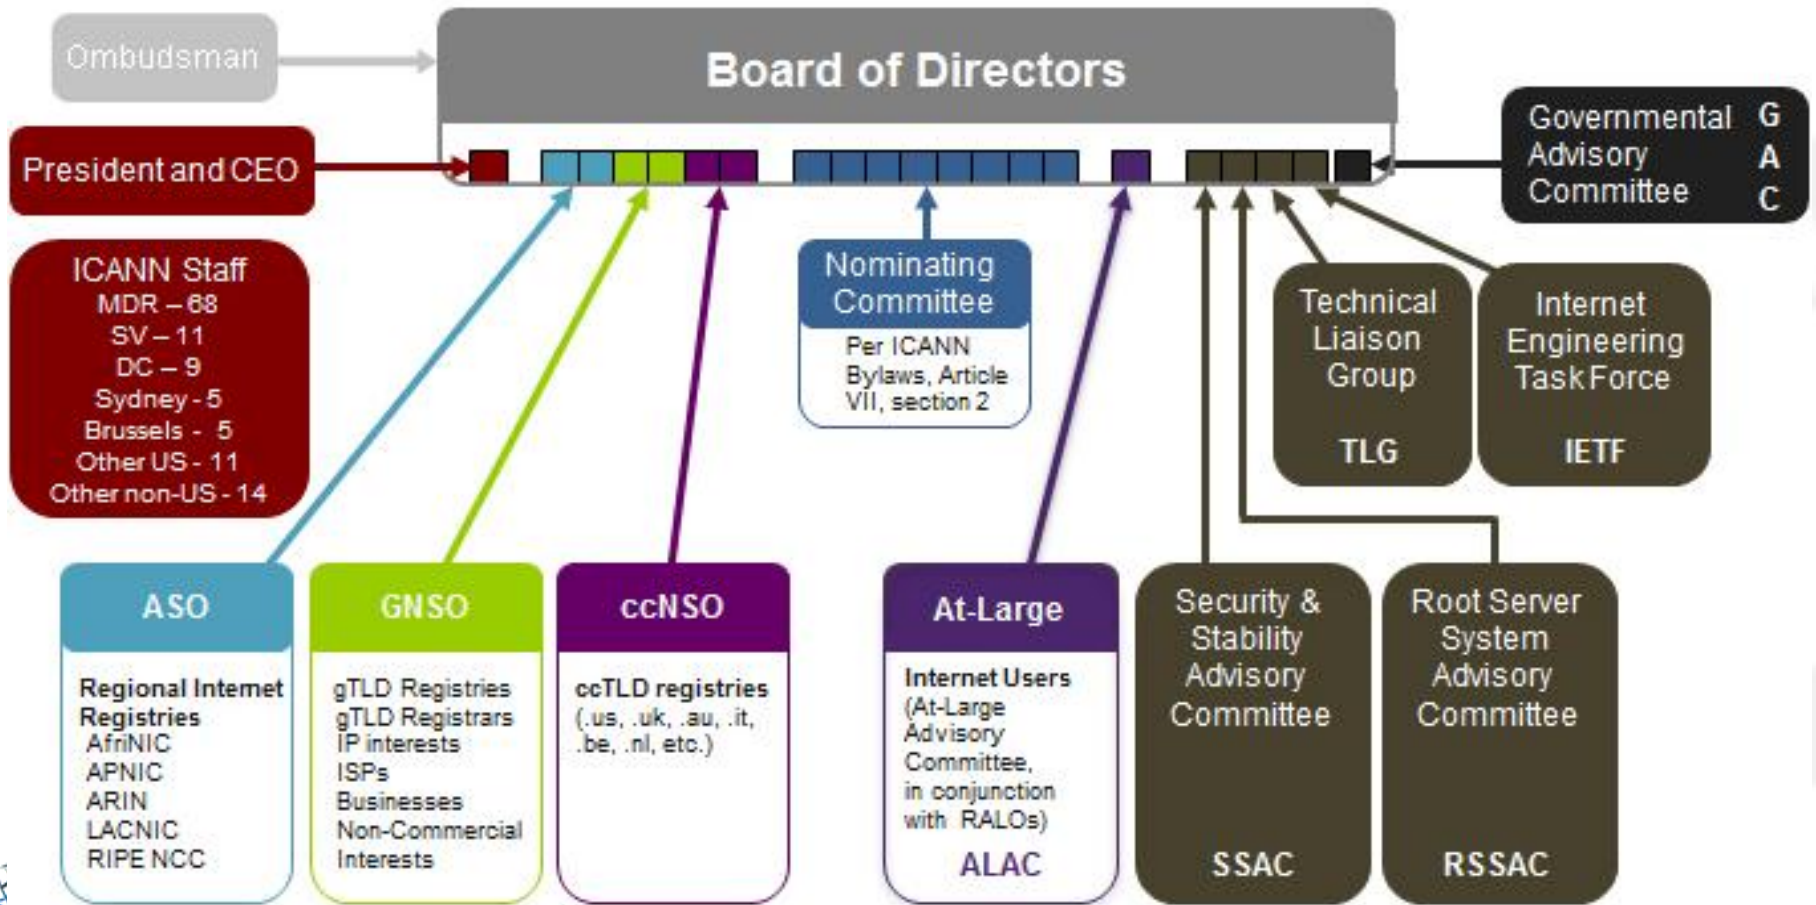

11-16 March 2012

# Who is ICANN?

- Staff
- Community made up of Internet Stakeholders
- Board

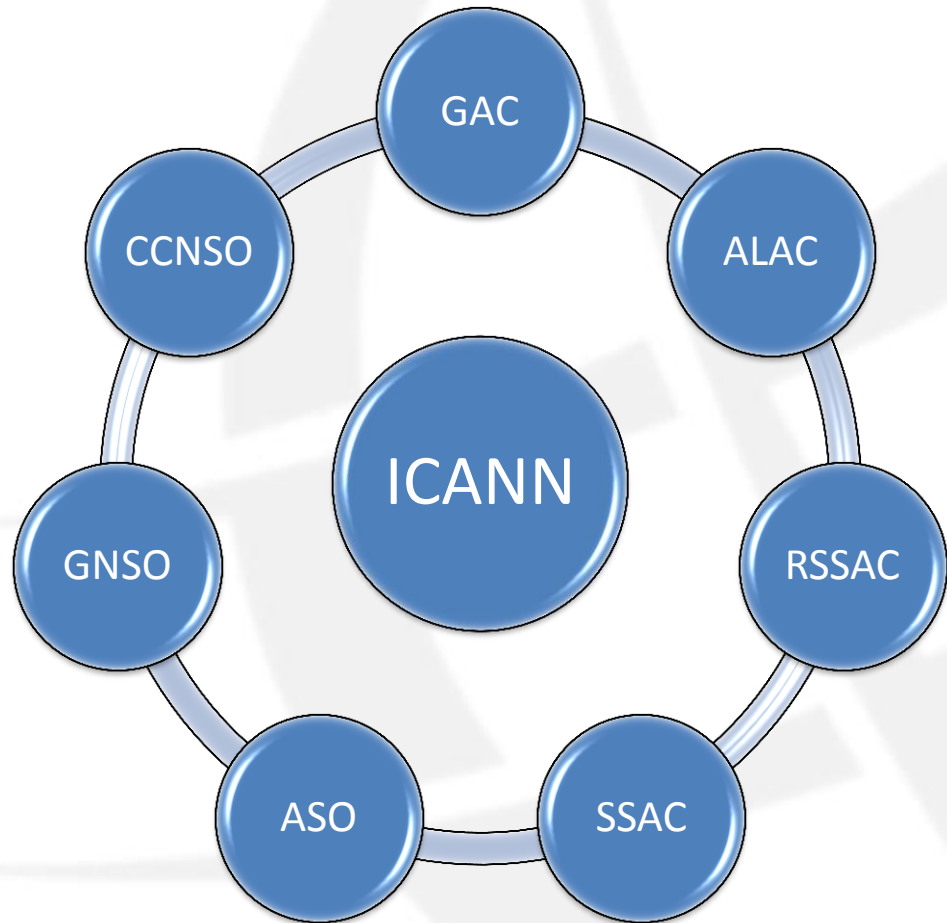

# ICANN Multi-Stakeholder Model

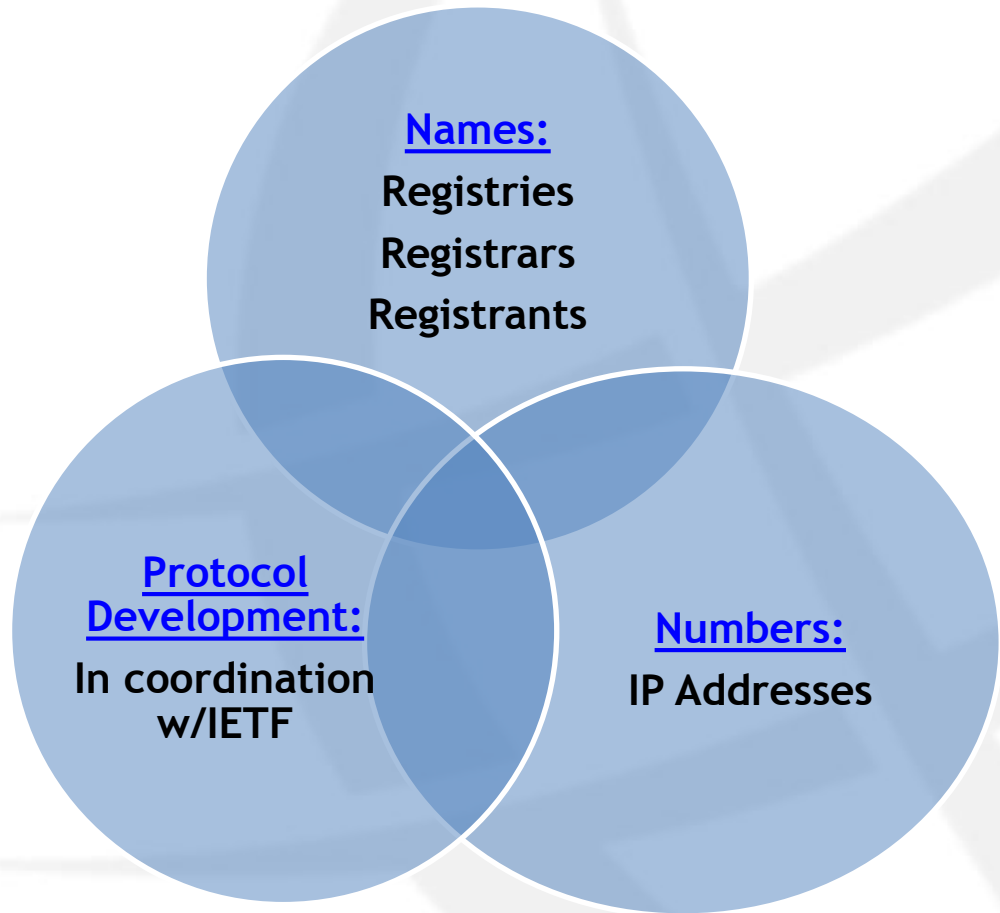

# The Work of ICANN: Policy

It takes a community to create and implement policy....

# The Work of ICANN: Coordination

ICANN is responsible for the global coordination of each part of the domain name space (DNS), including security

11-16 March 2012

# The Work of ICANN: Security

ICANN' Security Team is responsible for :

- day-to-day planning and execution of operational ICANN efforts related to security as directed by the ICANN Board and CEO in fulfillment of the ICANN strategic and operational plans.
- coordination across the range of ICANN efforts to ensure effective engagement in topics relating to security, cyber security and security, stability and resiliency.
- contact and engagement for law enforcement, security, and operations communities who deal with DNS and domain registration issue abuse and misuse.

# The Work of ICANN continues

- Global Partnerships and Outreach
- Contractual Compliance
- Support Services – behind the scenes

Thanks for that...  
Now What?
