Coordination Team Meeting

Integrated Issues Report Overview

Coordination Team Meeting

Integrated Issues Report - Overview

Integrated Issues Report:

- Common issues across the cases studied
- Issues particular to specific cases
- Guidelines that can be used for study and development of additional case study reports

Coordination Team Meeting

Integrated Issues Report Objectives

One World

One Internet

Dakar
SÉNÉGAL
N°42 23 - 28 October 2011

Coordination Team Meeting

Integrated Issues Report - Objectives

- Identify the set of issues that require solutions for a common IDN variant TLD mechanism
- Identify any sets of issues to be solved for specific scripts
- Classify issues according to type (e.g., technical, policy, other) and priority
- Identify appropriate groups/processes to resolve these issues

Coordination Team Meeting

Integrated Issues Report - Objectives

One World
One Internet

- Identify areas where further study is needed, if any
- Document the levels of support for conclusions
- Document the analysis and rationale undertaken for conclusions reached
- Create “guidelines for additional cases” ?

Coordination Team Meeting

Key Stakeholders
