

# Global Partnerships- Regional Liaison Update

28th ICANN Meeting, Lisbon

ccNSO session

27 March 2007

# GP - Regional Liaison team

## The team so far

- Have different expertise and are tasked to liaise with the Internet community around the world
- Current Regional Liaisons:
  - Africa: Anne Rachel Inné, <annerachel.inne@icann.org>
  - Australasia/Pacific Islands: Save Vocea, <save.vocea@icann.org>
  - Canada & the Caribbean: Jacob Malthouse <jacob.malthouse@icann.org>
  - Europe: Giovanni Seppia, <giovanni.seppia@icann.org>
  - Latin America: Pablo Hinojosa, <pablo.hinojosa@icann.org>
  - Middle East: Baher Esmat <baher.esmat@icann.org>
  - Armenia, Azerbaijan, Belarus, Georgia, Kazakhstan, Kyrgyzstan, Moldova, Russia, Tajikistan, Turkmenistan, Ukraine, Uzbekistan: Veni Markovski <veni.markovski@icann.org>

## The team business plan

- Each regional liaison develops a yearly plan which is consistent with the ICANN Strategic and Operating planning process
- Some regional liaisons are also managing and/or coordinating some projects which are listed in the ICANN Operating plan
- At the end of the second quarter of each year, a review of the RLs business plan takes place to ensure that they are kept updated with the latest ICANN developments and the needs that might have emerged from the community

## Activities so far

- Help to strengthen communications with different stakeholders, including ccTLDs, gTLDs, government delegates, international organisations, ISP, end users, ...
  - Supported the organisation of and/or participated in regional and international Internet events
  - Received inputs and feedback from the various stakeholder communities and conveyed them to ICANN
  - Acted as a regional point of contact for ICANN support
  - Supported multilingual consultations on different topics
