Policy Considerations

3

Policy Considerations

- Non-regulatory means (by IDA)
  - Grants
  - Industry collaborations
- Philosophy: Allow market forces to prevail where possible
- Exercise regulatory powers as a last resort

4

Policy Considerations

- Cost Implications
  - Government Agencies/SGNIC
  - Domain owners
  - Service Providers
  - End-users
- Master Planning
  - Take-up
  - Stakeholders' concerns and needs

5

Implementation Strategy

Implementation Strategy

- Government Agencies Taking the Lead
- Formation of Task Forces
  - Government
  - Industry
- Test-bed by SGNIC
- Education
  - Security Seminar
  - Trainings
