Organization Chart

.ve

.ve

We have 2 procedures:

• Domains Names for General Use

.com.ve
.net.ve
.info.ve
.web.ve
org.ve
.co.ve

Through the website:
www.registro.nic.ve

Domains Names for Special Use

.gob.ve
.mil.ve
.edu.ve
.tec.ve

Official letter to
Conatel

Who can apply for a domain name for General Use?

- Any natural or legal person living in Venezuela or abroad, can apply for a “.VE” domain name.
- After registering through the website, the applicant must pay the annual fee, and present the information using the same registration site.
- People living abroad must submit by email the proof of payment of the international wire transfer or also by credit card.

.ve .ve

Who can apply for a special domain name?

- Agencies or government entities, excluding companies and foundations (**gob.ve**).
- Public or private educational institutions (**edu.ve**).
- Public or private technology institutes (**tec.ve**).
- Units of the Bolivarian National Armed Forces (**mil.ve**).

.ve .ve

What is the price of register a .VE?

Article 148 of the Organic Telecommunications Law (Reformed).

- * The yearly price tag for registration of any .VE domain names is: **US\$ 17.**
- * Free Service to governmental entities and educational institutions, by assigning Special Domain Names (.Gov.ve / .Edu.ve).
- * Wire transfer or by Credit card.

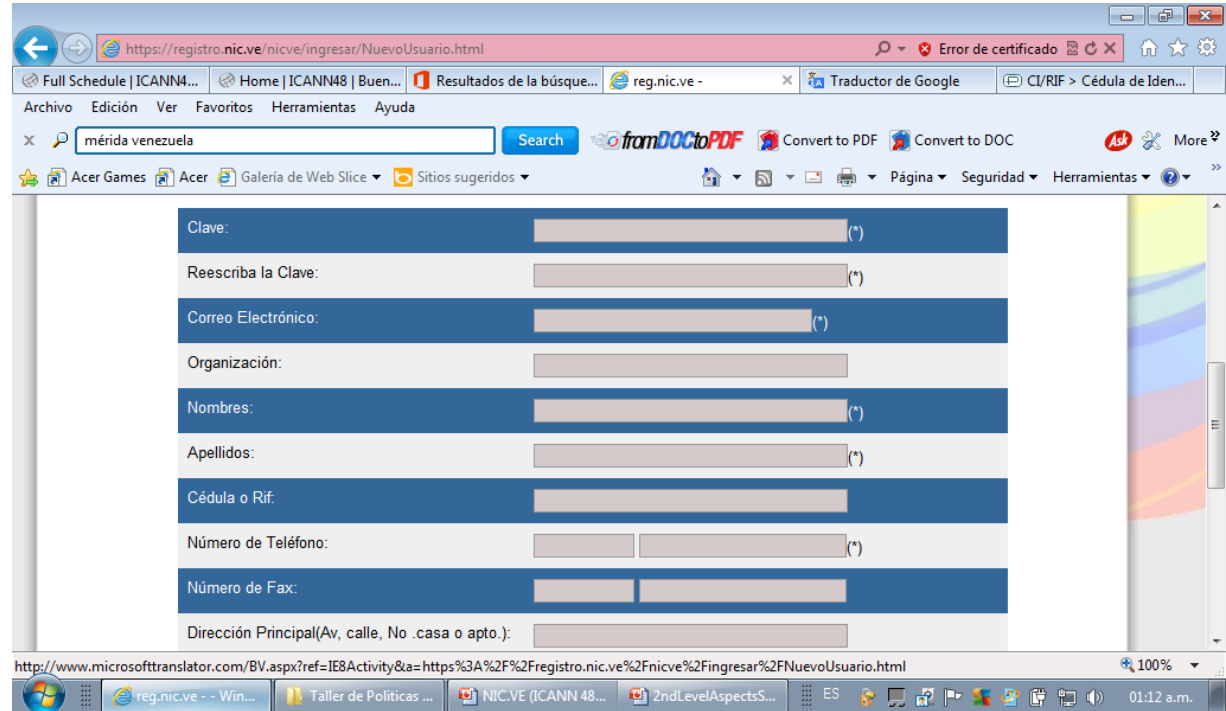

.ve .ve

- *Article 110: CONATEL is responsible for the the allocation and registration of domain names under the first level structure (. VE) in the Internet global network.*

CONATEL should also establish national numbering plans and their respective regulations.

- Regarding Conflict between a third party and the owner of a domain name in Venezuela, the NIC.VE it welcomes the Uniform Policy for Resolving Domain Name Disputes, established by the World Intellectual Property (WIPO).

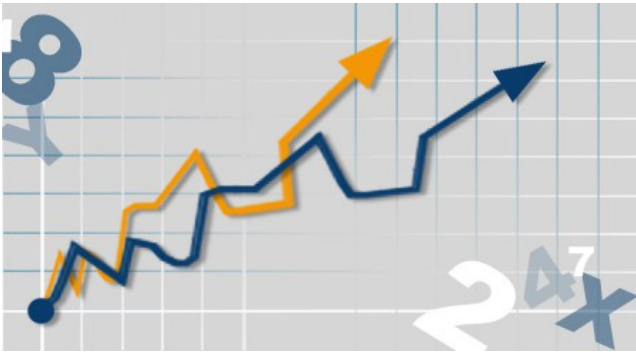

.ve .ve

- Process begins with the presentation of the case to this international organization according to the electronic forms.
- The procedure cost is between 1,500 and U.S. \$ 5,000 depending on the number of domain names under demand.
- Arbitration Center of WIPO notifies NIC.VE demand and performs the request for information about the domain in dispute.
- Arbitration Center of WIPO issues a decision within no more than 60 continuous days.
- The NIC.VE, after receiving the decision, make the changes as appropriate
