

**Joint Session: ICANN Board and GNSO Council  
Tuesday 8 March 2022 at 09:00 AST**

# Topics suggested by ICANN Board

- What are your key priorities for ICANN work in 2022, how do these priorities help achieve ICANN's common objectives as expressed in the FY 2021-2025 Strategic Plan, and how do you see Community, Board and org moving forward together on a way to achieve these?
- If any, what suggestions would you have to enhance ICANN's effectiveness and efficiency with regards to the process of implementation after adoption of a PDP or Review recommendations?

# Topics suggested by GNSO Council

- EPDP Phase 2: EPDP Phase 2 Next Steps – the GNSO Council would like to provide the Board with a status update in relation to the expected next steps and timing of its consideration of the Operational Design Assessment (ODA) as well as feedback to the ICANN Board in relation to the concerns expressed in the Board’s letter of 25 January.
- Board input on the GNSO Council working on providing additional implementation details, while there is an ongoing ODP on SubPro.
