

IDN Survey Results

ccNSO Meeting, Los Angeles
30th October 2007

Background

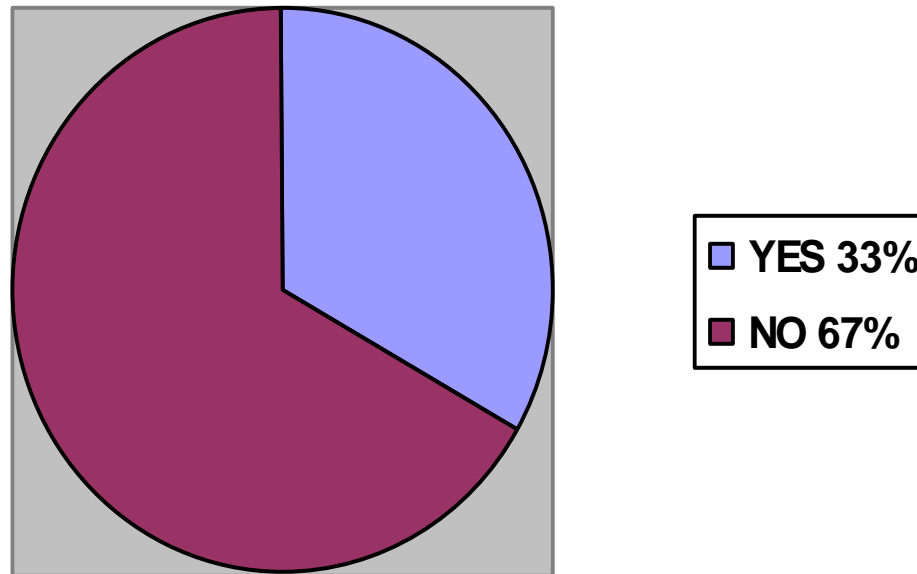

- Survey sent out 5th October 2007 to every ccTLD manager

Questions:

1. Do you believe that the local community in your territory has a pressing need for an IDN ccTLD?
 2. If so, is there yet agreement in your territory on the scripts and the string within the script(s) for which delegation of an IDN ccTLD would be sought, and could you indicate which strings and scripts are of interest?
 3. Do you believe the delegation of an IDN ccTLD under a fast track/interim approach would be of interest to your community?
- 54 replies received

Do you believe that the local community in your territory has a pressing need for an IDN ccTLD?
