

Lars Hoffmann:Welcome to the GNSO Weekend Session, Saturday 22 March 2014

Lars Hoffmann:When using the Chat, please make sure to adhere to the Expected Standards of Behavior:<http://tinyurl.com/icannesob>

Philip Corwin 2:Lots of echo on virtual room audio

ICANN RP21:Audio tech is working on in room audio. Please stand by.

Lars Hoffmann:All slide decks are also available via the agenda:

Lars Hoffmann>Please note: During each of the sessions, the Chair will open the floor for question at various points during the meeting - if you are participating remotely and would like to ask a pertinent question or make a comment related to the issue at hand, please use the Chat and we will try and relate it to the Council.

Lars Hoffmann:The first session on today's agenda is an update from the Standing Committee on GNSO Improvements Implementation.

ICANN RP21:Our audio tech has adjusted the audio. Is the sound better on your end?

Lars Hoffmann:The update from the Standing Committee on GNSO Improvements Implementation has now finished. The next session will be the Inter-Registrar Transfer Policy Part D PDP WG.

Philip Corwin 4:FYI, there are not me and three clones online. The Adobe Connect room video keeps shutting down -- odd because audio is continuous, but still too much echo.

Rubens Kuhl:The first 3 Philip Corwins have been transferred to other registrars.

Philip Corwin 4:I'm filing 3 URS actions ;-)

Philip Corwin 4:Actions successful/clones suspended

Chuck - room op:Phillip, has the audio improved since the other Phillips dropped off?

Rubens Kuhl:It's also of notice that TDRP can also protect users from misguided law enforcement like UK Police:

Rubens Kuhl:<http://blog.easydns.org/2013/10/29/tdrp-proceedings-initiated-in-response-to-uk-police-shakedown/>

Philip Corwin 4:audio has improved

Lars Hoffmann:The update from the Inter-Registrar Transfer Policy Part D PDP WG has now finished, the next issue on the agenda is the Preliminary Issue Report on Curative Protections of the URS/TMCH for IGO/INGOs (Report: <http://bit.ly/1ewbu6q>)

Lars Hoffmann:You can find the public comment on the Preliminary Report here: <http://bit.ly/1bjH4u>

Lars Hoffmann:The Preliminary Issue Report on Curative Protections of the URS/TMCH for IGO/INGOs has now finished, the next issue on the agenda is an update from the Drafting Team on Cross-Community WGs.

Lars Hoffmann:The meeting is on break and will re-start in a moment

Anne Aikman-Scaese:Has the meeting reconvened yet?

Marinel Rosca:hello everyone

Lars Hoffmann:Meeting is about to start.

Lars Hoffmann:The session is about to re-start with an update from the Data and Metrics for Policy Making WG. If you have any questions that are relevant to the topic under discussion, please add them to this Chat and we will try to relate them to the Council.
