# Recent activity

- WG have met via teleconference
  - 7 meetings to date
- We conducted a regional wide survey
  - Received 58 respondents
  - from all the countries in Oceania
- A draft working document available to edit

# Survey Analysis

- Increase meaningful participation in ICANN
  - Increase SO / AC membership
- Education and Capacity building
  - targeted outreach
    - Governments, ccTLD registry
    - Internet Governance
    - Secure DNS operations

# Way forward

- Sub-groups
- Draft report and seek community feedback
- Final report submission by ICANN 50
- Work with partners to implement key activities in FY15

# Ongoing/Future Engagements

- ICANN awareness raising
  - National, regional interest groups
- Support capacity building
  - DNSSEC, Security, IG issues
- Anycast L-root hosting
- Engage regional partners

**THANK YOU!**
