Strategy

- Why not a standard marketing?
 - Number of domains compared to similar countries – 1.2M
 - Part of our mission statement - To raise awareness about the Internet and its technologies in the Czech Republic

A) Learning Center

- **CZ.NIC Academy** launched in 2009
- Main directives:
 - Practical courses for technicians (DNS, IPv6, DNSSEC, BGP, ...)
 - Customized courses for school teachers, police, etc.
 - Courses for general public (3D printing, basic security, social networks, open data, etc.)
- ~100 courses planned for 2015

CZ.NIC Academy Locations

- Now available in the 3 biggest cities in the Czech Republic (Prague, Brno, Ostrava)

B) Publications

- CZ.NIC Publications launched in 2008
 - 9 titles released so far

CZ.NIC Publications Policy

- Issued under Creative Commons license
- Online versions (PDF, EPUB) for free
- Price of printed books only covers production
- Small discount rewarded for using IPv6

C) TV Production

- The most visible activity
- Cooperation with Czech public TV (self-production vs. coproduction partnership)
- Special format used only on public TV:
 - “mini-series”**
 - Short broadcast (about 2 minutes)
 - Sponsor's message at the beginning and end
 - Only way to get our content on public TV (commercials forbidden, sponsoring allowed)

Mini-series: “How to use the Internet”

- Characteristics:
 - Pure and modern design
 - Charismatic host
 - Light and entertaining form
 - Clear summary at the end of every episode

Mini-series: “How to use the Internet”

- Main topic areas:
 - How the Internet works
 - How to enter the Internet
 - How to behave safely on the Internet
 - How to collaborate on the Internet
 - How to buy or sell on the Internet
 - What to do on the Internet

Mini-series: “How to use the Internet”

Host

- Roman Zach (born in 1973)
- Famous actor from TV family series
- After past three seasons of “How to use the Internet”:
 - so-called “Internet expert”
 - more than 200 characters (as men *and* women)
 - Master of Disguises

“How to use the Internet” - Timeline

- **2012** - 40 episodes – prime time on work days in autumn
- **2013** - 45 episodes – again the same time
- **2014** - 15 episodes – all episodes rerun 5 times a week the whole year
- **2015** - rerun of all episodes, production of 2nd hundred begun... :-)

“How to use the Internet” – More Than Just a TV Show

- Supporting portal jaknainternet.cz
 - In-depth articles (including the embedded YT video) about every episode's theme
 - All 100 videos available to download
 - Teaching materials for school teachers
- Collaboration with school associations
 - USB distribution to 2.000 cooperating schools
- Series of related courses in CZ.NIC Academy

Globální povaha Internetu a snadný přístup k webům a informacím z celého světa s sebou nesou jeden specifický problém. Zatímco počátky celosvětové sítě navzájem propojených počítačů byly spojené prakticky výhradním použitím angličtiny, dnes při brouzdání Internetem běžně narazíme na

- 1 Rady a tipy Jak na to
- 2 Jak publikovat na Internetu
- 3 Správa a fungování Internetu
- 4 Co všechno lze dělat na Internetu
 - 4.1. Vzdělání přes Internet
 - 4.2. Cizí jazyky a Internet
 - 4.3. eGovernment
 - 4.4. Webové kamery
 - 4.5. Finanční služby na Internetu
 - 4.6. Jak hledat práci na Internetu
 - 4.7. Internet věci
 - 4.8. Nemovitosti na Internetu
 - 4.9. Plánování dovolené na Internetu
 - 4.10. Zákony na Internetu
 - 4.11. Televize na Internetu

TV Production Outputs

- Over 100 million views on TV

- **24%** of Internet population in Czech Republic knows TV show “How to use the Internet”

(according to representative research in 2014)

**But the most significant proof
of good work is...**

...when others start to imitate you

- Examples of “new” mini-series released after 2012

- “How to use the Internet” started boom of mini-series on Czech public TV

Other TV Projects

- **“The Mystery Hunters”** coproduction program
 - Weekly show on public TV channel for kids
 - First episode in 2014 (topic: How to connect the world)
 - Four others planned for 2015
- Preparing brand new program for kids (2015)
- Considering how to target young adult audience (2016)

Thank You!
